$456.200 RAISED IN V-LOAN DRIVE

LESS THAN HALF SECURED OF THIS COUNTY'S QUOTA

$160,550 IN POLK TWP.

Loan Shows a Tendency To Lag—Must Speed Up to Win "Honor Flag." Volunteer Subscriptions Sought.

Announcement was made this morning by Chairman C. E. Donlin, of the executive committee of the Fifth Victory Liberty Loan for Nodaway County, that $466,200 of the $1,040,750 quota for Nodaway county has been subscribed. In Polk township $160,550 has been subscribed of the total quota of $429,350.

The figures show that with the time of the Loan practically half over, the total of subscriptions, both for the county and for the township, are showing a tendency to lag, and a special impetus must be given to the drive if Nodaway is to win the "honor flag" by the close of the race.

So far, practically all the subscriptions to the Loan have been received through the banks of the county, and although the committees in charge are desirous that all the subscriptions possible be received through this source, they also wish to impress upon the general public that the smaller subscriptions are also expected.

It has been shown that practically two-thirds of the subscriptions to the former Liberty Loans were made up of the subscriptions of the smaller amounts. The smaller subscriber is really the "backbone" of the Drive, say the Federal Reserve Bank officials, who are in charge of the Loan, and the patriotic duty of every citizen who can possibly subscribe is appealed to.

Up to the present time Jefferson township is the only district in Nodaway County which has gone over the original quota. Grant and Lincoln townships have both subscribed their quotas and have won the "honor flag"

The citizens of the county are given an opportunity now to make voluntary subscriptions to the Loan, and a house-to-house canvas will be made next week.

Following are the subscriptions received at the various banks in Nodaway County up to the present time:

Arkoe State Bank, North White Cloud and North Grant Township, $4,000.

Barnard State Bank, South White Cloud and South Grant Township $37,800.

First National Bank, Burlington Junction, Nodaway Township, $19,700.

Northwestern Bank, Nodaway Township, $8200.

Jackson Bank, Atchison Township, $12,300.

Bank of Conception, Jefferson Township, $21,200.

Farmers State Bank, Jefferson Township, $21,100.

Farmers and Merchants Bank, Lincoln Township, $31,600.

Citizens Bank, Hughes Township, $15,600.

Bank of Guilford, Washington Township, $12,600.

Citizens Bank of Guilford, Washington Township, $9,200.

Bank of Hopkins, Hopkins Township, $18,750.

Farmers and Merchants Bank, Hopkins Township, $15,500.

Farmers Trust Company, Polk Township, $21,200.

Nodaway Valley Bank, Polk Township, $89,350.

First National Bank, Polk Township, $41,300.

Real Estate Bank, Polk Township, $8,700.

Farmers Bank, Independence Township, $22,100.

Bank of Pickering, Union Township, $16,300.

Farmers Bank, Green Township, $4,150.

Bank of Skidmore, Monroe Township, $15,000.

Farmers Bank, Skidmore, $10,550.

MANY GHILDREN REGISTER

Ruhing Business Done by S. S. Booth Yesterday—Mothers Asked to Help.

In the neigrborhood of 70 children registered yesterday afternoon at the Sunday School Booth in the Robinson building which is being conducted by the Associated Sunday School workers of Maryville, and at the present rate which the applicants are coming in the indications are that every child in Polk township below the age of 12 years will have been signed up by the end of the week. The booth will be open from 3:30 to 5:30 each afternoon during the remainder of the week and from 11:30 a. m. to 6 p. m. Saturday.

The manner in which the registrants are coming in is illustrated by a case yesterday which helped to boost the total. A little boy came to the rooms and after looking about for a few minutes at the various posters, was asked by one of the women in charge if he would like to put his name down and get one of the souvenir cards. "Sure," he replied " and readily gave all the information asked him". He then went out and a short time later returned with six younger brothers and sisters whom he introduced to the workers by saying "they wanna sign up too."

The classification of the names is divided up into four sections or divisions according to the ages of the registrants: the Cradle Roll, all children under three years; Beginners, 3-6; Primary 6-9; and Juniors, 9-12.

The committee in charge of the Booth is composed of the following members: Mrs. Guy Hallern, Miss Dessa Garelt, Miss Alice Cook, Mrs. E. W. Heideman, and Miss Goldie Adcock.

Mothers are asked to co-operate in the movement by giving the names and ages of infants to the workers.

MRS. CASTLE TO WED.

Ithaca, May 1.—Mrs. Irene Castle, widow of Vernon Castle, the well known dancer and movie star, will be married Saturday to Captain Robert E. Tremen, of this city.

"CLEAN-UP" DAY WILL BE HELD TOMORROW

Drays Will Make Canvass of City Tomorrow, Picking Up All Rubbish.

Owing to the inclement weather conditions, the four drays which were to make a tour of the city today to pick up the rubbish which has been collected at the various posts placed by the Boy Scouts, will not make the rounds until tomorrow.

The postponement is made by the order of Mayor W. O. Garrett, who announced today that the wagons will be out bright and early tomorrow morning to pick up all the rubbish and trash.

The citizens of Maryville have been showing great interest in the recent proclamation of he Mayor, asking that the city be cleaned up, and at nearly all of the dumping posts placed by the Boy Scouts, heaps of rubbish are to be found awaiting for the drays to come and haul them away.

With the extra day given by the Mayor for the collection of the debris the citizens will be given more time to gather up the litter, and when the "clean-up" is completed tomorrow night, a great improvement is expected in the general appearance of the city.

Mayor Garret announced this morning that all who wish to have rubbish hauled away by the drays tomorrow, place such articles in a box or bag where it can easily be found by the drivers.

No charge is made for the hauling work by the city.

A BIG CHAUTAUQUA WEEK

Entertainment is once again coming into its own. Business conditions are becoming nomal. Money was never so plentiful—outlook never so bright. People are planning big things for tomorrow.

"What about our Chautauqua for this year?" Here's the answer. Graham the Chautauqua man, was in town today saying "hello" and talking himself hoarse over the big things we ar to hoarse on this year's program. In past years Graham has about used up all the superlatives in the dictionary but he's found a new one to describe this year's program, viz., "The Best Ever," and he insists it's so.

A Big Day.

Here's one day's program. The famous Banda Roma, under the direction of Signor Luigi Quaglia, one of the great bands of the country. This band will give a great Italian night with special electrical lighting effects and special stage settings. In the afternoon one of Uncle Sam's aviators, who has seen service at the front and has several Huns to his credit, will tell the story of the sky. Then during the day there will be an exhibition of actual airplane flights by experienced army aviators.

Splendid Music.

Among the notable musical offerings will be the Boston Opera Company, composed of real artists. Miss Louise Stallings, the soprano of the company, is conceded to be one of New York's greatest singers and is being starred at the head ofher own company next season. This is a company of equal musical merit with those for which you wiuld have to pay $2.00 to $2.50 to hear in the cities.

The nine White Hussars will put "pep" into the program. This is the highest priced popular company of the size ever gathered together. Nine novelty artists all in one company. Grace Brewer, famous trombone artist. Laura Townsley—no greater trap-drummer and entertainer anywhere. Bobby Dehne—famous lady baritone, and six others of like ability, giving a program that will remind you in general of the Royal Dragoons of two years ago.

Chicago Saxaphone Sextette and Orchcestra—a company organized by Bohumir Kryl, a famous bandmaster This company includes in addition tc the orchestra and saxaphone features a great xylophone player and a spectacular cornet artist.

The Althea Players will be some thing new—a company of six ladies playing six violins,. Their imitation of pipe organ effects is wonderful and an entirely new feature.

"The Melting Pot."

What about a play to follow "It Pays to Advertise," the high-water mark of last year's program? We are to have one—ten great players in the production of Israel Zangwill's timely patriotic play, "The Melting Pot." Mr. Graham says that this will be the greatest single offering, entertainment and inspiration considered, ever presented on a Redpath Chautauqua program.

BEGIN ROUND-UP OF I.W.W. LEADERS

INVESTIGATION BEING MADE INTO MAILED BOMB CASE.

MAY BE DEMONSTRATIONS

Federal Agents Will Take a Number of Persons in Custody Before Night in Connection With Bomb Outrages.

Washington, May 1.—The bomb addressed to Senator Lee Overman of North Carolina has been help up in the post office at Salisbury, N. C., the post office department announced today.

New York, May 1.—Three more packages containing infernal machines addressed to prominent persons in the mail were discovered today. Onebomb is believed to be addressed to either Senator Smoot of Utah or Senator Kenyon of Iowa.

New York, May 1.—A wholesale round-up of I. W. W. leaders who openly preached violence, was begun by the police today while post-office operatives and detectives sought the man who mailed the bombs to many prominent officials and men of wealth throughout the country. A number of persons will be taken into custody in New York, Chicago and the Pacific Coast before night for questioning.

A nation-wide May Day terroristic demonstration is scented by federal agents and police authorities in Washington, New York and other cities following the discovery yesterday of sixteen bombs in the New York postoffice, all addressed to some of the nation's most widely known men.

In addition, four bombs actually were delivered yesterday to intended victims or their secretaries. In each case, however, the similarity of the package to those received by Mayor Hanson of Seattle and Ex-Senator Hardwick of Georgia resulted in precautions that prevented injury and possibly death.

The hand of the I. W. W. is believed to be behind the bomb plots. The list of those to whom the mails already have carried bombs is a clear indication, to the authorities, that America's Bolshevists have planned one of the biggest anarchistic demonstrations on record. Those who received bombs yesterday were:

Federal Judge Kenesaw M. Landis, who sentenced "Big Bill' Haywood and many other I. W. W. to the United States penitentiary at Leavenworth and who has been fearless in his denunciation of the Reds.

United States District Attorney Chas. M. Fickert of San Francisco, whose prosecution of Thomas Moore aroused all the radical elements in this country

Edward M. Cumba of San Fancisco, assistant to Fickert.

Representative John L. Burnett of Gadsden, Ala., who was chairman of the committee on immigration in the lower house of the last congress and was active in urging measures to prevent the entry into this country after the war of undesirable aliens.

Every bomb discovered so far has had the same markings—"Gimbel Brothers, New York. Novelties; sample." And all were mailed from the same district in New York.

All of the agencies of the government and the police in nearly all large cities are at work on the problem of discovering and rounding up the plotters.

Warnings have been sent broadcast for postal employees to watch for suspicious packages.

Miss Gertrude Knepper arrived in Skidmore this morning from Cape Girardeau where she recently completed the home economics course, on account of the illness of her brother, George Knepper, and famly who are suffering from an attack of the flu.

MANY "VEHICLE TAX" DELINQUENTS HERE

Failure of Citizens to Pay Revenue to City Holds Up Public Improvement Work.

Citizens of Maryville and vicinity who have not yet paid annual vehicle tax which is due the city, are urged to do so at once, in an announcement made today by Mayor W. O. Garrett. The total amount of money due the cityfrom this tax is $1500 while the treasury report shows less than half of this amount has been received in the city coffers.

According to the present system of government in Maryville the only revenue received in this way is the only means of supporting the Street Fund and other Highway Improvements, and unless, the citizens "come in" with the tax, the administration's hands are tied as far as public improvements are concerned.

HITCH IN THE PLANS CAUSES TANK DELAY

Machine Scheduled to Show Here This Afternoon Will Probably Arrive Tonight—Demonstration Tomorrow Afternoon.

Chairman M. . Ford, head of the Victory Liberty Loan Committee for Polk township, announced this afternoon that according to word from Mound City, the army tank which was scheduled to appear here this afternoon, will probably not arrive until late tonight or tomorrow morning.

According to Mr. Ford, all he was able to learn was that the machine is at Mound City this afternoon, and after the demonstration there will be placed on a flat car and shipped to this city as quickly as possible.

Plans have been made by the Entertainment committee of the Commercial Club and the members of the Victory Loan Committees for a program of speeches in the interest of the loan be made when the tank arrives ere. Plans are being made by the committee for the demonstration to take place tomorrow afternoon, and unless the arrangements and transportation facilities for the big machines go wrong again, the citizens of Maryville will without doubt have a chance to view the big battle monster.

MESSAGES TO ORLANDO

Concern Felt in China Over Chatung Settlement—Present Terms Guarantee to Interests.

Paris, May 1.—The agreement on the Japanese claims in the Shentung peninsula insures the signing of the treaty withing forty-eight hours by the Allied Powers, regardless of the Italian position.

Within the past forty-eight hours important messages have been sent to Orlando, warning him of the necessity for action, but this pressure is of the most friendly nature.

While the Chinese official circles seem to be genuinely concerned over the Chantung settlement, it is agreed everywhere also that the terms accepted will guard China's interests far more than could be done by any other method of action.

Amsterdam, May 1.—Mathias Erzberger, head of the German armistice commission notified Foch that it would be impossible for Germany to guarantee the armistice as the result of the Polish offensive in Posen and Hilesia, said a dispatch today. If the attacks are made it was declarde that itwould be impossiblye to continue the transportation of Polish troops across Germany from France.

Paris, April 30.—(Delayed).—The treaty of peace will not be signed before May 26, according to the opinion expressed in authoritative circles today. It was reported at the same time that President Wilson has now waived all objections to the trial of the former kaiser of Germany for his war crimes. The forthcoming arraignment of the ex-emperor is now one of the conditions of the peace terms.

Warsaw, May 1.—Poland is dissatisfied with the decision reached by the peace delegates at Paris regarding her eastern frontier and will refuse to accept it, according to information served from government circles today. In the meantime, it is said, the Polish troops will continue their successful campaign. HUNTSMEN KILL GRAY WOLF

Animal Killed After Exciting Chase—Dogs Used to Follow Trail—Another Hunt Today.

A large grey wolf, a number of which are said to still exist in Nodaway county and which have recently been doing a great deal of damage by destroying poultry and farm phoducts, was killed yesterday by a group of Maryville hunstmen who have determined to help rid the community of the pests.

Among those who took part in the chase of the wolf were Theo. Robinson, Star Carmichael, J. J. Heffner, and James B. Robinson, Jr. Dogs picked up the trail of the wolf near the Scott farm southwest of this city, and the animal was trailed through a course leading in a circle. It was captured near the starting place.

The carcass of the wolf was brought into the Nodaway Valley Bank yesterday afternoon and was the object of considerable interest.

Another group of Maryville citizens are out today hunting wolves.

THE MEN IN CLASS A1

A sound, healthy man is never a back number. A man can be as vigorous and able at seventy as at twenty. Condition, not years, puts you in the discard. A system weakened by overwork and careless living brings old age prematurely. The bodily functions are impaired and unpleasant symptoms appear. The weak spot is generally the kidneys. Keep them clean and in proper working condition and you will generally find yourself in Class A. Take GOLD MEDAL Haarlem Oil Capsules periodically and your system will always be in working order. Your spirits will be enlivened, your muscles supple, your mind active, and your body capable of hard work.

Don't wait until you have been rejected. Commence to be a first-class man now. Go to your druggist at once. Get a trial box of GOLD MEDAL Haarlem Oil Capsules. They are made of the pure, original, imported Haarlem Oil—the kind your great-grandfather used. Two capsules each day will keep you toned up and feeling fine. Money refunded if they do not help you. Remember to ask for the imported GOLD MEDAL Brand. In three sizes, sealed packages.

GLICK FOR CONGRESS

Mound City Statesman Is Guest of Honor at a Dinner Where Boom Was Uncorked.

Friends of State Senator George W. Glick of Mound City, are mentioning him for the Democratic congressional nomination in this district next year, according to the Capital City News, Jefferson City, which contains an account of a dinner given him at the capital, when his boom was launched, says the St. Joseph News-Press.

Senator Glick is now serving his third, and what he declares to be his last term as a state legislator. His first term was as a member of the lower house, in the forty-fourth general assembly. In 1914 he was elected to the senate and last year he was re-elected. He is chairman of the senate committee on agriculture, and is a member of the ways and means, appropriations, labor and other important committees.

When not helping to make laws, Senator Glick is a farmer, living near Mound City, in Holt County. He is rated as a progressive Democrat, and as a legislator has always been a staunch friend of St. Joseph.

NEURALGIA or Headache—Rub the forehead and temples with VICK'S VAPORUB "YOUR BODYGUARD" - 30¢, 60¢, $1.20

IT'S WEAR LIKE THIS THAT CUTS YOUR SHOE EXPENSE

Stepping on small pieces of hot metal, walking on sharp chips of steel, standing in hot sand—these, and other harsh conditions of walking surfaces, in a steel plant, have no apparent effect on Neōlin Soles. So says R. J. Doty, plant superintendent of the Sivyer Steel Casting Company, Milwaukee, Wisconsin.

"The best oak tanned leather soles last about three weeks under the abuse given them in the foundry, while I have been wearing a pair of Neōlin Soles for more than three months. And to all appearances, they are as stout as when first put on my shoes," says Mr. Doty.

Only Neōlin Soles can resist wear and abuse like this. They are created by Science to be very tough and durable — flexible and waterproof, too. To reduce your own shoe expense, and to cut the family shoe bills, buy Neōlin-soled shoes. You can get them in many styles for men, women, and children.

And have your worn shoes re-bottomed with Neōlin Soles. These long-wearing soles are manufactured by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outlast all other heels.

A BIG CHAUTAUQUA WEEK

(Continued from page 1)

Night, is to be the closing night attraction. By the way, we've always thought of "Bing" as just a "Funny Man," but since we got into tis war Bing has shown himself in a new light—one of the most successful of patriotic speakers. "Bing" was the big noise in many and many a big Liberty Loan drive meeting in the big cities of the East.

WOMEN DOING WAR WORK.

During the war women were called into almost every vocation in life, and right well did they assume the responsibilities and fill such positions. In many instances, however, their strength has been overtaxed, and such ailments as are peculiar to their sex have fastened themselves upon them. Such women should remember there is a tried and true remedy for their troubles in Lydia E. Pinkham's Vegetable Compound, which for more than three generations has been relieving the women of America from some of the worst forms of female ills.—Adv.

Ready Wit Wins Him Auto.

General Robert E. Lee's namesake, a lad of Jonesboro, Washington county, has won an auto from Henry Ford because of the lad's wit.

Henry Ford and Thomas A. Edison last year stopped at the Lee home while on a motor trip. Ford asked the boy to let him help saw wood.

"Yes, sir; you can help me, but this sun won't let you help me long," the lad said.

After a while Ford stopped sawing and exclaimed: "It's no exercise, boy. Did you know you were sawing wood with Henry Ford?"

"No," replied the boy, "but did you know that you were sawing wood with Robert E. Lee."

Ford laughed. Lee now has a new car from the Detroit factory.

RENEWED TESTIMONY.

No one in Maryville who suffers backache, headaches, or distressing urinary ills can afford to ignore this Maryville woman's twice-told story. It is confirmed testimony that no Maryville resident can doubt.

Mrs. A. Weidman, 409 E. Thompson St., says: "I had pains through my kidneys and my kidneys acted irregularly. These symptoms were always worse when there was a change in the weather or when I took cold. I used different medicines, but without benefit and I despaired of ever getting better. Doan's Kidney Pills were finally recommended to me and I got some at Love & Gaugh's Drug store. In less than a month I was entirely free from the trouble." (Statement given September 19, 1908).

On June 12, 1916, Mrs. Weidman said: "It hasn't been necessary for me to use anything for my kidneys for some time. I think Doan's are the best kidney medicine made and words can't express my high regard for them."

Baby Coming To Your Home?

$456.200 RAISED IN V-LOAN DRIVE

LESS THAN HALF SECURED OF THIS COUNTY'S QUOTA

$160,550 IN POLK TWP.

Loan Shows a Tendency To Lag—Must Speed Up to Win "Honor Flag." Volunteer Subscriptions Sought.

Announcement was made this morning by Chairman C. E. Donlin, of the executive committee of the Fifth Victory Liberty Loan for Nodaway County, that $466,200 of the $1,040,750 quota for Nodaway county has been subscribed. In Polk township $160,550 has been subscribed of the total quota of $429,350.

The figures show that with the time of the Loan practically half over, the total of subscriptions, both for the county and for the township, are showing a tendency to lag, and a special impetus must be given to the drive if Nodaway is to win the "honor flag" by the close of the race.

So far, practically all the subscriptions to the Loan have been received through the banks of the county, and although the committees in charge are desirous that all the subscriptions possible be received through this source, they also wish to impress upon the general public that the smaller subscriptions are also expected.

It has been shown that practically two-thirds of the subscriptions to the former Liberty Loans were made up of the subscriptions of the smaller amounts. The smaller subscriber is really the "backbone" of the Drive, say the Federal Reserve Bank officials, who are in charge of the Loan, and the patriotic duty of every citizen who can possibly subscribe is appealed to.

Up to the present time Jefferson township is the only district in Nodaway County which has gone over the original quota. Grant and Lincoln townships have both subscribed their quotas and have won the "honor flag"

The citizens of the county are given an opportunity now to make voluntary subscriptions to the Loan, and a house-to-house canvas will be made next week.

Following are the subscriptions received at the various banks in Nodaway County up to the present time:

Arkoe State Bank, North White Cloud and North Grant Township, $4,000.

Barnard State Bank, South White Cloud and South Grant Township $37,800.

First National Bank, Burlington Junction, Nodaway Township, $19,700.

Northwestern Bank, Nodaway Township, $8200.

Jackson Bank, Atchison Township, $12,300.

Bank of Conception, Jefferson Township, $21,200.

Farmers State Bank, Jefferson Township, $21,100.

If you will communicate with the federal manager of the roads serving your territory I am confident they will do everything that lawfully may be done in the premises."

The team which will represent Maryville in the athletic events tomorrow is one of the strongest ever sent from this city to the meet. MANY GHILDREN REGISTER

Ruhing Business Done by S. S. Booth Yesterday—Mothers Asked to Help.

In the neigrborhood of 70 children registered yesterday afternoon at the Sunday School Booth in the Robinson building which is being conducted by the Associated Sunday School workers of Maryville, and at the present rate which the applicants are coming in the indications are that every child in Polk township below the age of 12 years will have been signed up by the end of the week. The booth will be open from 3:30 to 5:30 each afternoon during the remainder of the week and from 11:30 a. m. to 6 p. m. Saturday.

The manner in which the registrants are coming in is illustrated by a case yesterday which helped to boost the total. A little boy came to the rooms and after looking about for a few minutes at the various posters, was asked by one of the women in charge if he would like to put his name down and get one of the souvenir cards. "Sure," he replied " and readily gave all the information asked him". He then went out and a short time later returned with six younger brothers and sisters whom he introduced to the workers by saying "they wanna sign up too."

The classification of the names is divided up into four sections or divisions according to the ages of the registrants: the Cradle Roll, all children under three years; Beginners, 3-6; Primary 6-9; and Juniors, 9-12.

The committee in charge of the Booth is composed of the following members: Mrs. Guy Hallern, Miss Dessa Garelt, Miss Alice Cook, Mrs. E. W. Heideman, and Miss Goldie Adcock.

Mothers are asked to co-operate in the movement by giving the names and ages of infants to the workers.

MRS. CASTLE TO WED.

Ithaca, May 1.—Mrs. Irene Castle, widow of Vernon Castle, the well known dancer and movie star, will be married Saturday to Captain Robert E. Tremen, of this city.

"CLEAN-UP" DAY WILL BE HELD TOMORROW

Drays Will Make Canvass of City Tomorrow, Picking Up All Rubbish.

Owing to the inclement weather conditions, the four drays which were to make a tour of the city today to pick up the rubbish which has been collected at the various posts placed by the Boy Scouts, will not make the rounds until tomorrow.

The postponement is made by the order of Mayor W. O. Garrett, who announced today that the wagons will be out bright and early tomorrow morning to pick up all the rubbish and trash.

The citizens of Maryville have been showing great interest in the recent proclamation of he Mayor, asking that the city be cleaned up, and at nearly all of the dumping posts placed by the Boy Scouts, heaps of rubbish are to be found awaiting for the drays to come and haul them away.

With the extra day given by the Mayor for the collection of the debris the citizens will be given more time to gather up the litter, and when the "clean-up" is completed tomorrow night, a great improvement is expected in the general appearance of the city.

Mayor Garret announced this morning that all who wish to have rubbish hauled away by the drays tomorrow, place such articles in a box or bag where it can easily be found by the drivers.

No charge is made for the hauling work by the city.

A BIG CHAUTAUQUA WEEK

Entertainment is once again coming into its own. Business conditions are becoming nomal. Money was never so plentiful—outlook never so bright. People are planning big things for tomorrow.

"What about our Chautauqua for this year?" Here's the answer. Graham the Chautauqua man, was in town today saying "hello" and talking himself hoarse over the big things we ar to hoarse on this year's program. In past years Graham has about used up all the superlatives in the dictionary but he's found a new one to describe this year's program, viz., "The Best Ever," and he insists it's so.

A Big Day.

Here's one day's program. The famous Banda Roma, under the direction of Signor Luigi Quaglia, one of the great bands of the country. This band will give a great Italian night with special electrical lighting effects and special stage settings. In the afternoon one of Uncle Sam's aviators, who has seen service at the front and has several Huns to his credit, will tell the story of the sky. Then during the day there will be an exhibition of actual airplane flights by experienced army aviators.

Splendid Music.

Among the notable musical offerings will be the Boston Opera Company, composed of real artists. Miss Louise Stallings, the soprano of the company, is conceded to be one of New York's greatest singers and is being starred at the head ofher own company next season. This is a company of equal musical merit with those for which you wiuld have to pay $2.00 to $2.50 to hear in the cities.

The nine White Hussars will put "pep" into the program. This is the highest priced popular company of the size ever gathered together. Nine novelty artists all in one company. Grace Brewer, famous trombone artist. Laura Townsley—no greater trap-drummer and entertainer anywhere. Bobby Dehne—famous lady baritone, and six others of like ability, giving a program that will remind you in general of the Royal Dragoons of two years ago.

Chicago Saxaphone Sextette and Orchcestra—a company organized by Bohumir Kryl, a famous bandmaster This company includes in addition to the orchestra and saxaphone features a great xylophone player and a spectacular cornet artist.

The Althea Players will be some thing new—a company of six ladies playing six violins,. Their imitation of pipe organ effects is wonderful and an entirely new feature.

"The Melting Pot."

What about a play to follow "It Pays to Advertise," the high-water mark of last year's program? We are to have one—ten great players in the production of Israel Zangwill's timely patriotic play, "The Melting Pot." Mr. Graham says that this will be the greatest single offering, entertainment and inspiration considered, ever presented on a Redpath Chautauqua program.

BEGIN ROUND-UP OF I.W.W. LEADERS

INVESTIGATION BEING MADE INTO MAILED BOMB CASE.

MAY BE DEMONSTRATIONS

Federal Agents Will Take a Number of Persons in Custody Before Night in Connection With Bomb Outrages.

Washington, May 1.—The bomb addressed to Senator Lee Overman of North Carolina has been help up in the post office at Salisbury, N. C., the post office department announced today.

New York, May 1.—Three more packages containing infernal machines addressed to prominent persons in the mail were discovered today. Onebomb is believed to be addressed to either Senator Smoot of Utah or Senator Kenyon of Iowa.

New York, May 1.—A wholesale round-up of I. W. W. leaders who openly preached violence, was begun by the police today while post-office operatives and detectives sought the man who mailed the bombs to many prominent officials and men of wealth throughout the country. A number of persons will be taken into custody in New York, Chicago and the Pacific Coast before night for questioning.

A nation-wide May Day terroristic demonstration is scented by federal agents and police authorities in Washington, New York and other cities following the discovery yesterday of sixteen bombs in the New York postoffice, all addressed to some of the nation's most widely known men.

In addition, four bombs actually were delivered yesterday to intended victims or their secretaries. In each case, however, the similarity of the package to those received by Mayor Hanson of Seattle and Ex-Senator Hardwick of Georgia resulted in precautions that prevented injury and possibly death.

The hand of the I. W. W. is believed to be behind the bomb plots. The list of those to whom the mails already have carried bombs is a clear indication, to the authorities, that America's Bolshevists have planned one of the biggest anarchistic demonstrations on record. Those who received bombs yesterday were:

Federal Judge Kenesaw M. Landis, who sentenced "Big Bill" Haywood and many other I. W. W. to the United States penitentiary at Leavenworth and who has been fearless in his denunciation of the Reds.

United States District Attorney Chas. M. Fickert of San Francisco, whose prosecution of Thomas Moore aroused all the radical elements in this country

Edward M. Cumba of San Fancisco, assistant to Fickert.

Representative John L. Burnett of Gadsden, Ala., who was chairman of the committee on immigration in the lower house of the last congress and was active in urging measures to prevent the entry into this country after the war of undesirable aliens.

Every bomb discovered so far has had the same markings—"Gimbel Brothers, New York. Novelties; sample." And all were mailed from the same district in New York.

All of the agencies of the government and the police in nearly all large cities are at work on the problem of discovering and rounding up the plotters.

Warnings have been sent broadcast for postal employees to watch for suspicious packages.

SUES FOR $10,000 DAMAGES

Mrs. Clyde Griffith Brings Suit Against Father-in-law, Baxer Griffith.

Mrs. Clyde Griffith brought suit today for $10,000 damages against her faher-in-law, Baxter Griffith, for influencing and inducing her husband, Cllyde Griffith, to abandon and leave her. The petition stated they were married in Buchanan county January 11, 1919, and lived together until March 10. E. G. Cook is the attorney for the plaintiff.

Miss Gertrude Knepper arrived in Skidmore this morning from Cape Girardeau where she recently completed the home economics course, on account of the illness of her brother, George Knepper, and famly who are suffering from an attack of the flu.

MANY "VEHICLE TAX" DELINQUENTS HERE

Failure of Citizens to Pay Revenue to City Holds Up Public Improvement Work.

Citizens of Maryville and vicinity who have not yet paid annual vehicle tax which is due the city, are urged to do so at once, in an announcement made today by Mayor W. O. Garrett. The total amount of money due the cityfrom this tax is $1500 while the treasury report shows less than half of this amount has been received in the city coffers.

According to the present system of government in Maryville the only revenue received in this way is the only means of supporting the Street Fund and other Highway Improvements, and unless, the citizens "come in" with the tax, the administration's hands are tied as far as public improvements are concerned.

HITCH IN THE PLANS CAUSES TANK DELAY

Machine Scheduled to Show Here This Afternoon Will Probably Arrive Tonight—Demonstration Tomorrow Afternoon.

Chairman M. . Ford, head of the Victory Liberty Loan Committee for Polk township, announced this afternoon that according to word from Mound City, the army tank which was scheduled to appear here this afternoon, will probably not arrive until late tonight or tomorrow morning.

According to Mr. Ford, all he was able to learn was that the machine is at Mound City this afternoon, and after the demonstration there will be placed on a flat car and shipped to this city as quickly as possible.

Plans have been made by the Entertainment committee of the Commercial Club and the members of the Victory Loan Committees for a program of speeches in the interest of the loan be made when the tank arrives ere. Plans are being made by the committee for the demonstration to take place tomorrow afternoon, and unless the arrangements and transportation facilities for the big machines go wrong again, the citizens of Maryville will without doubt have a chance to view the big battle monster.

EARLY SIGNING OF TREATY ASSURED

AGREEMENT OF JAP CLAIMS WILL BRING SIGNATURE IN 24 HOURS

MESSAGES TO ORLANDO

Concern Felt in China Over Chatung Settlement—Present Terms Guarantee to Interests.

Paris, May 1.—The agreement on the Japanese claims in the Shentung peninsula insures the signing of the treaty withing forty-eight hours by the Allied Powers, regardless of the Italian position.

Within the past forty-eight hours important messages have been sent to Orlando, warning him of the necessity for action, but this pressure is of the most friendly nature.

While the Chinese official circles seem to be genuinely concerned over the Chantung settlement, it is agreed everywhere also that the terms accepted will guard China's interests far more than could be done by any other method of action.

Amsterdam, May 1.—Mathias Erzberger, head of the German armistice commission notified Foch that it would be impossible for Germany to guarantee the armistice as the result of the Polish offensive in Posen and Hilesia, said a dispatch today. If the attacks are made it was declarde that itwould be impossiblye to continue the transportation of Polish troops across Germany from France.

Paris, April 30.—(Delayed).—The treaty of peace will not be signed before May 26, according to the opinion expressed in authoritative circles today. It was reported at the same time that President Wilson has now waived all objections to the trial of the former kaiser of Germany for his war crimes. The forthcoming arraignment of the ex-emperor is now one of the conditions of the peace terms.

Warsaw, May 1.—Poland is dissatisfied with the decision reached by the peace delegates at Paris regarding her eastern frontier and will refuse to accept it, according to information served from government circles today. In the meantime, it is said, the Polish troops will continue their successful campaign. The Polish forces which were engaging the Ukrainians in Eastern Galicia, put the latter to flight and relieved Lemberg from the perils of capture.

REDS ARE BEING DEFEATED.

Helsingfors, May 1.—The Finnis Volekers captured the Murman railway from the Bolsheviki yesterday, cutting off the chief line of communication supplying the Bolsheviki forces. After opposing the Allies on the Murmansk front, the Red troops are fleeing from Petrograd fearing capture by the White Guards.

Amsterdam, May 1.—An unconfirmed report that the Red government of Bavaria has been overthrown at Munich, was received here from Berlin today.

London, May 1.—An unconfirmed report has been received here that the Finnish and anti-Bolsheviki Russian troops have occupied Petrograd.

HUNTSMEN KILL GRAY WOLF

Animal Killed After Exciting Chase—Dogs Used to Follow Trail—Another Hunt Today.

A large grey wolf, a number of which are said to still exist in Nodaway county and which have recently been doing a great deal of damage by destroying poultry and farm phoducts, was killed yesterday by a group of Maryville hunstmen who have determined to help rid the community of the pests.

Among those who took part in the chase of the wolf were Theo. Robinson, Star Carmichael, J. J. Heffner, and James B. Robinson, Jr. Dogs picked up the trail of the wolf near the Scott farm southwest of this city, and the animal was trailed through a course leading in a circle. It was captured near the starting place.

The carcass of the wolf was brought into the Nodaway Valley Bank yesterday afternoon and was the object of considerable interest.

Another group of Maryville citizens are out today hunting wolves.

Wilfley, who came to Maryville to meet his brother, also returned this morning to his home in Steele City, Neb.

Howard Bratcher, who has been at St. Francis hospital suffering from an attack of appendicitis, has sufficiently recovered to return to his home.

THE MEN IN CLASS A1

A sound, healthy man is never a back number. A man can be as vigorous and able at seventy as at twenty. Condition, not years, puts you in the discard. A system weakened by overwork and careless living brings old age prematurely. The bodily functions are impaired and unpleasant symptoms appear. The weak spot is generally the kidneys. Keep them clean and in proper working condition and you will generally find yourself in Class A. Take GOLD MEDAL Haarlem Oil Capsules periodically and your system will always be in working order. Your spirits will be enlivened, your muscles supple, your mind active, and your body capable of hard work.

Don't wait until you have been rejected. Commence to be a first-class man now. Go to your druggist at once. Get a trial box of GOLD MEDAL Haarlem Oil Capsules. They are made of the pure, original, imported Haarlem Oil—the kind your great-grandfather used. Two capsules each day will keep you toned up and feeling fine. Money refunded if they do not help you. Remember to ask for the imported GOLD MEDAL Brand. In three sizes, sealed packages.

GLICK FOR CONGRESS

Mound City Statesman Is Guest of Honor at a Dinner Where Boom Was Uncorked.

Friends of State Senator George W. Glick of Mound City, are mentioning him for the Democratic congressional nomination in this district next year, according to the Capital City News, Jefferson City, which contains an account of a dinner given him at the capital, when his boom was launched, says the St. Joseph News-Press.

Senator Glick is now serving his third, and what he declares to be his last term as a state legislator. His first term was as a member of the lower house, in the forty-fourth general assembly. In 1914 he was elected to the senate and last year he was re-elected. He is chairman of the senate committee on agriculture, and is a member of the ways and means, appropriations, labor and other important committees.

When not helping to make laws, Senator Glick is a farmer, living near Mound City, in Holt County. He is rated as a progressive Democrat, and as a legislator has always been a staunch friend of St. Joseph.

Mrs. John Johnson and daughter, Joyce Elaine, who have been visiting Mrs. Johnson's parents, Mr. and Mrs. W. T. Gray, left Wednesday afternoon for their home in St. Joseph.

Mrs. Mary Wyatt Moore returned last night from a visit in Kansas City.

Miss Longan Leaves.

Miss Lucy Longan, who has been visiting in Maryville the guest of her aunts, Mrs. Henry Westfall and Miss Mary Ford, went to St. Joseph this afternoon to spend a few days with her sister, Mrs. Earl L. Robinson, before returning to her home in Des Moines, Ia.

IT'S WEAR LIKE THIS THAT CUTS YOUR SHOE EXPENSE

Stepping on small pieces of hot metal, walking on sharp chips of steel, standing in hot sand—these, and other harsh conditions of walking surfaces, in a steel plant, have no apparent effect on Neōlin Soles. So says R. J. Doty, plant superintendent of the Sivyer Steel Casting Company, Milwaukee, Wisconsin.

"The best oak tanned leather soles last about three weeks under the abuse given them in the foundry, while I have been wearing a pair of Neōlin Soles for more than three months. And to all appearances, they are as stout as when first put on my shoes," says Mr. Doty.

Only Neōlin Soles can resist wear and abuse like this. They are created by Science to be very tough and durable — flexible and waterproof, too. To reduce your own shoe expense, and to cut the family shoe bills, buy Neōlin-soled shoes. You can get them in many styles for men, women, and children.

And have your worn shoes re-bottomed with Neōlin Soles. These long-wearing soles are manufactured by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outlast all other heels.

A BIG GHAUTAUQUA WEEK

(Continued from page 1)

Night, is to be the closing night attraction. By the way, we've always thought of "Bing" as just a "Funny Man," but since we got into tis war Bing has shown himself in a new light—one of the most successful of patriotic speakers. "Bing" was the big noise in many and many a big Liberty Loan drive meeting in the big cities of the East.

Timely Lectures.

Direct from the peace table where he is sitting as special odviser, comes Sir John Foster Fraser, of England. WOMEN DOING WAR WORK.

During the war women were called into almost every vocation in life, and right well did they assume the responsibilities and fill such positions. In many instances, however, their strength has been overtaxed, and such ailments as are peculiar to their sex have fastened themselves upon them. Such women should remember there is a tried and true remedy for their troubles in Lydia E. Pinkham's Vegetable Compound, which for more than three generations has been relieving the women of America from some of the worst forms of female ills.—Adv.

Ready Wit Wins Him Auto.

General Robert E. Lee's namesake, a lad of Jonesboro, Washington county, has won an auto from Henry Ford because of the lad's wit.

Henry Ford and Thomas A. Edison last year stopped at the Lee home while on a motor trip. Ford asked the boy to let him help saw wood.

"Yes, sir; you can help me, but this sun won't let you help me long," the lad said.

After a while Ford stopped sawing and exclaimed: "It's no exercise, boy. Did you know you were sawing wood with Henry Ford?"

"No," replied the boy, "but did you know that you were sawing wood with Robert E. Lee."

Ford laughed. Lee now has a new car from the Detroit factory.

RENEWED TESTIMONY.

No one in Maryville who suffers backache, headaches, or distressing urinary ills can afford to ignore this Maryville woman's twice-told story. It is confirmed testimony that no Maryville resident can doubt.

Mrs. A. Weidman, 409 E. Thompson St., says: "I had pains through my kidneys and my kidneys acted irregularly. These symptoms were always worse when there was a change in the weather or when I took cold. I used different medicines, but without benefit and I despaired of ever getting better. Doan's Kidney Pills were finally recommended to me and I got some at Love & Gaugh's Drug store. In less than a month I was entirely free from the trouble." (Statement given September 19, 1908).

On June 12, 1916, Mrs. Weidman said: "It hasn't been necessary for me to use anything for my kidneys for some time. I think Doan's are the best kidney medicine made and words can't express my high regard for them."

Baby Coming To Your Home?

The Wonderful Event That Will Bring Much Gladness.

Are you looking forward, dear prospective mother, to the wonderful, glorious time when you shall hold in your arms the little mite, which is of your flesh and blood, with feelings of misgiving?

Now is the time to get in condition to meet the crisis, and three generations of women have found in the time-honored preparation, Mother's Friend, a grateful, penetrating remedy to prepare their systems to withstand the shock.

The action of this famous remedy is to relieve tension on drawn nerves, cords, tendons and ligaments, to relieve strain and discomforts, such as nausea, nervousness, bearing-down and stretching pains. By regular use during the period the muscles expand easily when baby is born; pain and danger at the crisis is naturally less and the hours are fewer. Do not neglect the use of Mother's Friend. It is for external application only, is absolutely safe and wonderfully effective.

Write the Bradfield Regulator Company, Dept. N, Lamar Building, Atlanta, Georgia, for their Motherhood Book, and obtain a bottle of Mother's Friend from the drug store. It is just as standard as anything you can think of.
